Tips for Success for...

YOUR SOCIAL SCIENCES CLASSES

- Always attend class.
 - Be on time. Listen. Take notes. Actively participate.
- Talk to your TA and/or Professor. Visit during office hours.
 - Always review material and come prepared with questions.
 - Get to know your Professors.
- In social sciences, it is important to *understand* the vocabulary, the concepts, and the significance of each concept.
- Read the textbook before class. Rewrite your notes from class at the end of each day and organize them. You may not remember what your notes meant a few days later, review after class to retain the information.
- Pay attention to the type of exam. If it is an essay exam, outline your response before writing.
- Everyone utilizes the different academic resources on campus. Find out which ones are best for you at tutor.uiowa.edu.
