## Tips for Success for...

# **YOUR WORLD LANGUAGE CLASSES**

- Always attend class.
  - Be on time. Listen. Take notes. Actively participate.
- Talk to your TA and/or Professor. Visit during office hours.
  - Always review material and come prepared with questions.
  - Get to know your Professors.
- Study out loud. To learn a language you have to study and learn vocabulary and grammar rules. You have to listen, speak, imitate, memorize and practice. When you study out loud, you are creating more ways for the brain to process and store information.
- Study every day; organize your study time into small units. To learn a language you have to keep coming back to the new material until it becomes familiar and automatic. Study daily.
- Utilize the campus labs and resources! Plan in advance, make an appointment or drop in during drop in hours.
- Everyone utilizes the different academic resources on campus. Find out which ones are best for you at [tutor.uiowa.edu](http://tutor.uiowa.edu).
