Tips for Success for...

YOUR ENGINEERING CLASSES

- Always attend class.
 - Be on time. Listen. Take notes. Actively participate.
- Talk to your TA and/or Professor. Visit during office hours.
 - Always review material and come prepared with questions.
 - Get to know your Professors.
- Eat breakfast every morning. It will help you with concentration and retention of information in class.
- During class and while you are studying, put your phone on silent and put it away. The less distractions you have the more focused you will be.
- Utilize the campus labs and resources! Plan in advance, make an appointment or drop in during drop in hours.
- Everyone utilizes the different academic resources on campus. Find out which ones are best for you at tutor.uiowa.edu.
