Chinese Corner is a great place for faculty and students who want to practice their oral Chinese. Learners of all levels are welcome to join, since we will have topics suitable for each level. In addition, you can make friends with Chinese members of the university community. You will surely learn something new! We cordially invite native Chinese speakers to join us and help with our students! This is also an opportunity for you to enjoy international friendships, exchange cultural insights, and extend your horizons.

Individuals with disabilities are encouraged to attend all University of Iowa-sponsored events. If you are a person with a disability who requires a reasonable accommodation in order to participate in this program, please contact Huiqiang Zheng in advance at huiqiang-zheng@uiowa.edu.
